Flu Shot Reminder:

Children six months through 59 months of age that are attending a child care center need to receive the flu vaccine by **December 31, 2017. NO EXCEPTIONS WILL BE MADE.** After December 31st, your child will be considered delinquent and will no longer be able to attend the child care center until the vaccine is received.

If you have any questions regarding the flu vaccine please see Roxanne or Natalia in the office.

Box Tops

Our first Box Tops deadline for this school year is October 31st! Please send in all of your collected Box Tops. We receive 10 cents for each Box Top collected!

A fun way for you to collect box tops with your children is by using a collection sheet. Simply glue the Box Tops to the spaces and then turn the completed sheet in to the office!

General Reminders

- ⇒ Please try to bring your child to school by 9:00 A.M. so they can receive the maximum program advantage as well as not to disrupt the educational program for the rest of the children.
- ⇒ When you enter your child's classroom each morning please immediately wash your hands and your child's hands. This way we can reduce the amount of germs that are spread in our classrooms.
