Dr. Seuss Teaches Us...

- Be who you are and say what you feel because those who mind don't matter and those who matter don't mind.

- Don't cry because it's over. Smile because it happened.

- Only you can control your future.

-The more that you read, the more things you will know. The more that you learn, the more places you'll go.

- There is no one alive who is Youer than You.

- Unless someone like you cares a whole awful lot, nothing is going to get better. It's not.

- You have brains in your head. You have feet in your shoes. You can steer yourself, any direction you choose.

Dr. Seuss' birthday is Thursday, March 2nd. We will be celebrating his birthday throughout the month of March. Our annual Dr. Seuss party will be on Friday, March 10th, 7- 8:30. Yosi will be performing in the Gym at 7:45. Activities and snacks will be spread through the Green, Blue, Red, and Orange Rooms. This party is always a lot of fun and great time for parents, children, and staff to socialize and do various activities together. We look forward to seeing you there!

Please RSVP by completing the attached flyer or by signing up on your child's classroom door.
